

### SAMPLE DINING CLUB MENU

These are full banqueting menus so you will not have to choose just one or two dishes. You will be able to try all the choices available on the night!

Dining Club menus will offer an exciting variety of dishes, from mild to hot, and will include meat and vegetarian dishes. Apart from the food there will be great company, great music and you can learn more about the food if you want to!

There will be seasonal and themed variations and the actual menu will be made available nearer the time. We are flexible here and once we know the guest list for the night, we will be happy to accommodate dietary preferences. So if we get 8 vegetarians booking on the same night, we will do vegetarian! It's simple - we want you to enjoy the experience!

A typical menu costing just £30 per head will offer 2 starters (including one veg), 2/3 main dishes (including one veg), veg sides, rice, naan and roti, chutneys, raita, salad, desserts, soft drinks and chocolates.
